Don't Miss the  
Newest Additions  
Now Available  
for Tracking

**Perma-Bound** has more stellar additions to the **Series Tracker** lineup in store for November. With the free Series Tracker tool, you can keep track of new additions to Elementary, Middle School, and High School titles. This month's additions include great **fantasy** and science fiction. Research shows this kind of speculative fiction is a safe way for readers to explore ideas and social issues metaphorically, and to gain insight into other cultures and mindsets in a nonthreatening context.

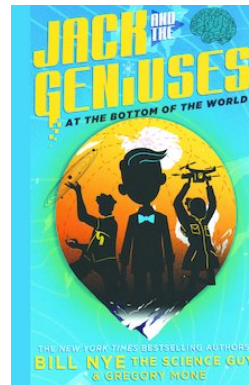

Plus, they're healthy escapes from a scary world! Such titles can spark imagination and help foster a lifelong reading habit. Get your students hooked on reading with top-notch series fiction at all levels!

Teaching the classics? Pairing them with newer titles can add relevance, enhance student understanding

As a teacher, you want to teach literature that you know is top-notch-and that you know how to teach. Classics, after all, never old-but teaching the same book over and over can get stale, for both you and your students.

There's a way to avoid this problem, however: by combining your core texts with current, complementary literary titles. [Learn more](#)
