The Penderwicks At Last (The Penderwicks)

by **Jeanne Birdsall**

RL 5.0 IL 4-7

The final installment of this classic series.

It's summertime, and eleven-year-old Lydia is dancing at the bus stop, waiting for big sister Batty to get home from college.

This is a *very* important dance and a *very* important wait because the two youngest sisters are about to arrive home to find out that the Penderwicks will *all* be returning to Arundel this summer, the place where it all began. And better still is the occasion: a good old-fashioned, homemade-by-Penderwicks wedding.
