

PAIRED TITLES

Kids Love the Adventure

Teachers Love the Facts

Challenge your students with paired texts, which are designed to teach students to evaluate multiple sources of information by requiring them to analyze two or more texts on the same topic, in either print or digital format. In doing so, students develop independent, critical thinking abilities and basic research skills.

PERMA-BOUND
THE STRONGEST BOOKS YOU CAN BUY

The new school year will be here soon, and we have the easy way to evaluate your collection! And it's FREE!

Perma-Bound's Collection Analysis and Planning (CAP) program is a powerful analytical tool you can utilize free of charge to evaluate your current collection and identify future needs.

The online CAP program will break your collection down by Dewey one hundreds and tens, as well as by copyright, and provide you with detailed tables, charts, and graphs allowing you to easily see the current standing of your collection.
